

SDCCD

SINGLE STREAM RECYCLING PROGRAM *"RECYCLING TIPS FOR A BETTER TOMORROW"*

ACCEPTED

What Can Go in the Recycling Container

- Newspapers and inserts.
- Clean mixed paper such as magazines, junk mail, cardboard, hard cover books, computer and office paper, phone books, **paper** egg cartons, clean pizza boxes and food boxes (example: such as those holding dry cereal or crackers).
- Clean bagged shredded paper.
- Cans: Aluminum cans, tin and steel cans (including pet food cans), clean foil and pie plates, **empty** aerosol cans.
- Glass food & beverage containers: soda bottles, food jars, wine and liquor bottles.
- Plastic bottles: narrow-necked, screw-top bottles, such as soda bottles, plastic milk and water jugs, detergent bottles (discard lids and pump tops), soap and shampoo bottles and colored bottles labeled with a  or a  imprinted on the bottom of the container.
- Any plastic bottle with "CRV," "CA Redemption Value," or "CA Refund" on the label.

NOT ACCEPTED

What Can Not Go in the Recycling Container

- It is illegal to put trash, greenery or hazardous materials including universal waste such as batteries, electronics, fluorescent bulbs and mercury in your recycling container.
- No soiled or wet newspaper, rubber bands, string or plastic bags.
- No milk cartons, used tissues, styrofoam, waxed cardboard, paper plates or paper towels. No TV dinner trays or greasy pizza boxes.
- No scrap metal, needles or sharps.
- No china, ceramics, crockery, Pyrex-type glass, mirrors, window glass, light bulbs, drinking glasses, or stemware.
- No plastic bags, wide-mouth plastic tubs (such as margarine, yogurt or cottage cheese), plastic trays, plastic toys, automotive product containers, poison or pesticide bottles. Please discard plastic lids.
- No filled or partially filled containers containing household hazardous wastes, such as motor oil, paint, poison, cleaning fluids, insecticides, solvents, acids, gasoline, pool chemicals, highly flammable liquids, radioactive materials, or toxic chemicals. Discard empty household hazardous waste containers in your regular trash.

REDUCE, REUSE, RECYCLE & RETHINK
