

### Districtwide Kick-off

Facilitated by District Education Services. During this kick-off event, the following items are reviewed:

- Districtwide CLNA Guide and Worksheets
- Districtwide Stakeholder Engagement Model
- Districtwide Data Elements and Updated Reports and Resource Materials
- Regional Data Elements and Reference Materials

### Local Data Engagement

Colleges to engage stakeholders throughout the fall to review key data elements and determine priority needs and overarching strategies

### Integration into local Application

Colleges to integrate CLNA findings and identified strategies into local application process; applications respond to CLNA findings and overarching strategies. All funding decisions must be informed by the CLNA

### CLNA Due May 2024

Districtwide CLNA is compiled through the completed college-specific CLNA worksheets. Reference: Spring 2022 Districtwide CLNA (2022-23 and 2023-24)

### Regional Needs Assessment

The Regional Needs Assessment is developed by the San Diego Imperial Counties Community Colleges' Centers of Excellence.
