A. OVERVIEW

The San Diego Community College District (hereinafter referred to as “District”) is requesting sealed bids for a requirements contract to purchase reprographic and specialty paper products for District-wide use. The agreement period will be effective July 1, 2018 through June 30, 2019 with two optional one-year renewal periods. The District is not obligated to purchase any specified amount of products or services.

The District is an accredited institution serving an estimated 130,000 students each semester and is comprised of three, two-year colleges and six, Continuing Education campuses throughout San Diego County.

II. DELIVERY / INVOICING

1. Conformity to Specifications

All products and services furnished as a result of this solicitation must comply with the specifications cited herein. Material and services provided are subject to inspection and approval after delivery. The District reserves the right to reject any portion of a shipment or service that is defective or fails to comply with specifications, without invalidating the remainder of the order. Such rejection will be at the risk and expense of the contractor. **When consistent print quality is unable to be achieved due to paper supplied by contractor, troubleshooting recommendations must be provided or paper product must be upgraded at no additional cost to the District.**

Awarded Vendor agrees to provide sample swatch books to each Reprographic Department upon award. Vendor will be responsible for keeping swatch books current.

2. Payment Terms and Invoicing Instructions

The District's payment terms, and the terms of this contract, are NET 30 days after receipt of invoice and acceptance of material and services. Invoices citing cash discounts for early payment of invoices of less than 15 days will be paid as NET 30. Cash discounts, when given, will be figured from date of receipt of auditable invoices, provided complete delivery and acceptance of the order has been made. If tests are necessary, cash discounts will be figured from date of acceptance of test report. Each invoice shall reflect the District Purchase Order number.

No price increases will be permitted during this Contract including annual renewals. All price decreases (for example, if VENDOR offers lower prices to another governmental entity) will automatically be extended to the District.

3. Delivery Terms

Delivery terms are FOB Destination to any of the District's facilities which includes the San Diego Community College District Office, San Diego City College, San Diego Miramar College, San Diego Mesa College or any of the six, San Diego Continuing Education campuses within the San Diego metropolitan area. Point of delivery will be provided by the District with each Purchase Order. Awarded vendor is responsible for assuring the correct room/delivery location is placed on each packing slip and deliveries are made to the correct, requesting department. The District is requesting the ability to place orders up to 5:00 p.m. the day before and receive next day delivery.

4. Delivery Time

Deliveries must conform to the operating hours and time requirements of the campus, as stated within the District's Purchase Order. **Please see Attachment “C” for delivery locations as well as delivery time requirements.** Each shipment **must be** accompanied by a packing slip/list, **which must reference the assigned Purchase Order Number.**

If vendor cannot meet delivery times as set forth in Attachment “C”, vendor may be considered non-responsive.

5. Returned Products

Products returned because of quality problems, duplicated shipments or breakage/damage shall be picked up by the Contractor(s) within three business days after notification, with no restocking charge and shall be replaced with specified products as defined within the District's Purchase Order or the District shall be credited or refunded for the full purchase price.

6. Prior Order Quantities

The District may purchase more or less than the quantities indicated on the response form. Bidder and the District mutually agree that all items proposed in Bidder's response are standard stocking items. The District shall have no liability whatsoever for failure to order or for termination of use of standard items.

III. SPECIAL TERMS AND CONDITIONS

1. AVAILABILITY OF PRODUCT

Any orders going beyond this time element will require written notice and will be subject to cancellation. Order quantities may vary by campus location. Vendor needs to accommodate orders as little as one ream.

2. PURCHASES OUTSIDE OF CONTRACT

The District reserves the right to make purchases of same or similar items from sources outside the contract when timing, availability and/or District needs dictate. Normally these items would only be purchased outside the contract if Contractor cannot meet the district's delivery requirements.

3. SAMPLE SPECIFICATION

If the brand of paper quoted has not been used before by the San Diego Community College District, the successful supplier must submit a non-returnable sample for testing and evaluation. Samples are to be furnished at no charge to the District. Samples are to be no less than one case and made available to the District within two business days from the date of request. Failure to provide the samples in the required time frame may result in the vendor's bid being determined non-responsive.

Each carton/package that is provided as a sample must be delivered to the District's Purchasing and Contract Services Department and must be clearly marked with the bidder's company name, supplier mill name, "Bid #18-06," and line item number from the solicitation.

4. SUPPLIER VARIANCE

The District understands that Contractor's supplier mills may be subject to change during the life of the contract. Contractor will be required to submit a request, in writing, to the District's Purchasing and Contract Services Supervisor to substitute the supplier mill of paper bid and awarded through this solicitation process. The District will evaluate the request and notify the Contractor of its finding. The District may also require the Contractor to provide product samples, at no cost to the District, to evaluate the compatibility of the proposed paper with the District's copiers and/or offset presses.

5. USAGE REPORTS

Contractor will be required to provide, upon request, periodic usage reports to the District of items purchased under contract. These reports **must** be broken down by delivery location and include such information as name and product number of items purchased, quantities, and costs. These reports must be provided at no cost to the District, and shall be furnished within five (5) working days of request by the District. Reports must be available electronically and in **Microsoft Excel** version 2003 or higher. It is the contractors responsibility to understand this requirement and furnish the necessary documents when requested.

13. Interpretation of RFB

The Vendor must make careful examination and understand all of the requirements, specifications, and conditions stated in the RFB. If any Vendor planning to submit a bid finds discrepancies in or omissions from the RFB, or is in doubt as to the meaning, a written request for interpretation or correction must be given to the District. All notices regarding this procurement may be posted on the District's purchasing website at <http://busssrv.sdccd.edu/purchasing>.

B. EVALUATION OF OFFERS/AWARD OF CONTRACT

1. Basis for Award and Evaluation Criteria

District staff will evaluate offers to determine the lowest, responsive, and responsible bids meeting terms, conditions, and specifications of the solicitation. Lowest offer will be determined by multiplying the unit prices by the estimated quantities and summing item totals for the initial period of the contract. In the event of a mathematical error on the part of the seller in recording its offer, the District will take the unit price offered to be the intended offer. The award will be made by section exclusively to one vendor. Interested bidders must bid on all items within the section to be considered for award.

2. Evaluation of Proposed Equal Product

The specifications contained herein describe products and/or services considered acceptable to the District. Specifications considered to be equal may be submitted when authorized herein. It is the responsibility of the Seller to provide full documentation with its offer to establish a claim of equal offering.

Review of all such documentation, examination of any offering, and determination as to whether an offering meets the specifications contained herein shall be made by the District. The opinion of the District shall be final.

3. Release of Information

Bidders making offers as a result of this solicitation will be notified of Purchasing and Contract Services' recommendation for award to the District's Board of Trustees, in advance of the Board's decision. This will be the only information released after all offers are read aloud, and before the District's Board of Trustees awards the contract. It is the bidder's responsibility to check the District's website at <http://busssrv.sdccd.edu/purchasing>, for all addendums, updates, announcements or notices regarding this bid.

4. Method of Ordering

Individual Purchase Orders will be issued as required for the acquisition of products and services listed herein. This will be the only acceptable method of authorizing product purchases.

5. Inspection of Facilities

The District shall have the right to inspect the facilities, service areas, and warehouses of all Bidders, submitting offers prior to award of this contract. The purpose of such inspection is to determine the Bidder's potential ability to perform under the terms of this solicitation.

C. LEGAL ISSUES

1. Acceptance of Response

A Bidder's offer is subject to acceptance by the District at any time within ninety (90) days after opening of same, unless otherwise stipulated herein. Terms and conditions additional to or not identical to the terms and conditions contained herein are not solicited and may render the bid non-responsive.

2. Assignment of Agreement

Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of the items appearing in this solicitation, which he or she may be awarded, or any rights accruing there under, title or interest therein, funds to be received hereunder; or any power to execute the same without prior written consent of the District. **Notice is hereby given that the District will not honor any assignment made by the contractor unless the District has consented in writing.**

5. Minimum Shipment Requirements

The District normally orders paper by the carton. On exception, smaller orders may be needed on an individual basis. Bids that include minimum shipment requirements that are more than one carton will be judged to be non-responsive.

6. Penalties Upon Default

In case of default of this contract by the contractor, the District may procure the products or services contained in this contract from other sources.

7. Quantities to be Ordered

The District reserves the right to respond to its changing needs, and is in no way obligated to buy products whatsoever, nor is it limited in any way to the quantities indicated in this solicitation. Any quantities contained in this solicitation are included by way of example and for the District's evaluation of prices offered. Variations in quantities are normally dependent upon the needs of the District and/or the availability of funds.

8. Right to Reject/Waive

The District reserves the right to reject any or all offers, or to waive any minor irregularities or informalities in any offer, or in the solicitation process.

The District also reserves the right to waive minor variations in specifications and evaluate offers and make awards considering the equipment and services being offered. Offers varying from District specifications in any major detail are not solicited and may be disqualified. The District's opinion shall be final.

9. Hold Harmless

Contractor agrees to indemnify and to hold free and harmless the District, its officers, employees and agents, from all loss, liability, damages, costs or expenses (including reasonable legal expenses, and court costs) that may or might at any time arise or be asserted against District, its officers, employees and agents, arising by reason of, in the course of, or in connection with, the performance of this contract, including any loss, liability, damages, costs or expenses resulting from the sole negligence of the contractor, or both contractor and District, but excluding any loss, liability, damages, costs or expense resulting from the sole negligence of the District.

The indemnification shall include, but is not limited to, liability of any nature or kind whatsoever, on account of use by the publisher or author, manufacturer or agent, of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used under this solicitation and any resulting contract.
