

# SDCCD Microsoft WAH (Work at Home) – Ordering Instructions

The software distribution website instructions below, provided by Kivuto Solutions Inc. (on behalf of Southland Technology) allows SDCCD faculty and staff to purchase software at significant discounts off standard retail prices. The pricing provided on this site is made available through agreements between the San Diego Community College District and Microsoft. Purchases made through the website are between the purchaser and Kivuto Solutions Inc. All purchases are final.

## General Online Shopping Cart Ordering Instructions

- Be sure to be on the computer you want to download the software onto.
- Go to: <https://sdccd.onthehub.com>
- Click either **Sign In** or **Register** (if it is your first time on the portal)

The screenshot displays the website header for the San Diego Community College District. On the left is the SDCCD logo. The center features the text "SAN DIEGO COMMUNITY COLLEGE DISTRICT" with subtext "CITY COLLEGE • MESA COLLEGE • MIRAMAR COLLEGE • CONTINUING EDUCATION" and "powered by SOUTHLANDTECHNOLOGY". On the right, navigation links include "Home", "Help", "English" (with a flag icon), and "Sign In" and "Register" (which are highlighted with a red box and a red arrow pointing to them).

Below the header is a search bar labeled "Product Search" with a magnifying glass icon. A teal banner with the "Microsoft" logo spans the width of the page. Below this, a grid of software products is shown, each with a product image, a download icon, and a label:

- Windows 10
- Office for Mac 2016
- Project 2016
- Visio 2016
- Office 2016
- Office 2013
- Windows 8.1
- Windows 7

## Office Professional Plus 2016 ▲

Microsoft Office 2016 helps you to do your best work – anytime, anywhere and with anyone. New, modern versions of the desktop applications, Word, Excel, PowerPoint, Outlook, and OneNote, are built for maximum productivity. You'll quickly produce professional documents with powerful authoring features, design controls for pixel-perfect layouts and new built-in Excel tools help you get more out of your data, faster and easier. You'll have access to your docs in the cloud whenever you need them. And with your documents stored online, it's easy to get your team on the same page. Just share, present and work together on projects with built-in team collaboration tools across the suite.
