## Board Policy

### Chapter 2 – Board of Trustees

#### BP 2725 – BOARD MEMBER COMPENSATION

---

Members of the Board of Trustees shall adopt a resolution which stipulates the compensation and benefits that current and former members of the Board of Trustees shall receive. This resolution shall remain in effect until changed by subsequent action of the Board of Trustees.

Members of the Board of Trustees who attend all Board meetings shall receive \$1057.59 per month and the student member(s), \$300 per month. A member of the Board who does not attend all meetings held by the Board of Trustees in any month shall receive, as compensation, an amount not greater than the pro rata share of meetings actually attended.

A member of the Board of Trustees may be paid for a meeting when absent if the Board, by resolution duly adopted and included in its minutes, finds that at the time of the meeting the member is performing services outside the meeting for the community college district, is ill, on jury duty, or the absence is due to a hardship deemed acceptable by the Board of Trustees. The compensation shall be a charge against the funds of the District.

The Chancellor will direct staff to provide necessary secretarial services for all trustees to conduct District business as they deem necessary. The business of the District shall be defined as any correspondence written or electronic to promote the goodwill of the District (within the constraints of Proposition 73) or in response to any inquiry received by any trustee.

The Board of Trustees may, on an annual basis, increase the compensation of Board members in an amount not to exceed five percent based on their present monthly rate of compensation. However, any increase is subject to rejection in a referendum by a majority of the voters in the District. Student member compensation will be increased at the same percentage rate as voting Board member compensation.
