BP 4240 – ACADEMIC RENEWAL

The San Diego Community College District allows previously recorded substandard academic performance to be disregarded if it is not reflective of a student's demonstrated ability. Reasonable limitation on academic renewal without course repetition applies, as identified in the annual college catalogs and outlined in Administrative Procedure, *AP 4240, Academic Renewal without Course Repetition*.

The student's permanent academic record shall clearly indicate any courses alleviated by academic renewal with or without course repetition, and annotated in such a manner that the record of all work remains legible, ensuring a true and complete academic record.
