BP 1200 DISTRICT MISSION

The San Diego Community College District (SDCCD) uplifts diverse individuals and communities through culturally affirming teaching, learning, and work environments.

The SDCCD provides high-quality, affordable undergraduate education, career training, and lifelong learning for our communities.

Vision

Every member of our community experiences inclusive excellence. We create spaces where access, belonging, success, and the exchange of ideas and learning are paramount for our diverse community of students, faculty, and employees. We increase the prosperity and well-being of our local communities and the state of California.

The mission, vision and values shall be evaluated and revised on a cyclical basis to correspond with institutional strategic planning timelines.
