Project Features

The San Diego College of Continuing Education Educational Cultural Complex Community Room Renovation Project will renovate the existing two-level space into a new community room which enhances the flexibility, functionality, and usability of the facility for both campus and community events. The project scope includes:

First Level

- Foundation offices
- Living Archive
- Catering preparation area to support events / gatherings
- New exterior multi-purpose gathering space

Second Level

- Storefront connects directly to the interior lobby through and is designed to take full advantage of the existing natural light within the space
