Additional resources, articles, and links related to this project will appear here when available. For comprehensive information about Measure HH and all ongoing projects, please explore [the Measure HH website](#).

## Project Features

The San Diego College of Continuing Education Educational Cultural Complex Seismic Upgrades Project will deliver critical structural enhancements across the full building footprint which will:

- Improve student safety
- Expand program capacity
- Support a modernized learning environment

In coordination with the Division of the State Architect (DSA), the voluntary seismic improvements will be implemented in phases:

- Phase 1 – Theatre Renovation
- Phase 2 – Community Room Renovation
- Phase 3 – remaining areas of the facility
