

Project Teams

General Contractor	TBD
Architect	DELAWIE
Structural Engineer	JUNKER GONZALEZ
Civil Engineer	NASLAND
Mech./ Elect. Engineer	RANDALL LAMB
Executive Const. Manager	BEN BAKER

Project Schedule

Programming Complete	Design and DSA Approval	Construction Completion (Est.)	FFE & Move-In (Est.)
November 2025	Design: February 2026 DSA: September 2026	April 2029	July 2029

Current Status/Phase: Schematic Design

Project Insights

Programming efforts continued in December with the College stakeholders. Spacing adjacencies were presented and confirmed during these meetings. Swing Space in the current Autobody Welding Lab was confirmed by the College. A Final Programming meeting was held with the College and stakeholders on 1/27.

Upcoming Milestones:

- AE team will study feasibility of the Swing Space area and propose improvement package.
- Design Development will begin March 2026

Project Features

The San Diego College of Continuing Education Educational Cultural Complex Building Trades Training Center Project will include:

- Complete renovation of existing welding instructional spaces including material preparation and welding booth areas with state-of-the-art equipment and dedicated fume extraction system for improved air quality
- Demo of the east canopy and construction of approximately 4,500 SF added programming.
- New department reception, classrooms, offices, and storage areas.
- Dedicated spaces for robotics and automated equipment that support future-focused trade instruction.
- Replacement of the roof system in its entirety.
