- June 2026: Design Completion & DSA Submittal
- March 2027: Construction

Project News & Information

Additional resources, articles, and links related to this project will appear here when available. For comprehensive information about Measure HH and all ongoing projects, please explore [the Measure HH website](#).

Project Features

The San Diego City College Harry West Gym HVAC Project includes the installation of a new HVAC system to serve the currently unconditioned gymnasium. Other project features include:

- Evaluation of the existing mechanical equipment to determine replacement needs
- New roofing
- New fire alarm and intrusion alarm systems
- Structural and accessibility upgrades to ensure compliance with current code requirements

Project Map

1313 Park Blvd, San Diego, CA 92101
