

Project Teams

General Contractor	TBD
Architect	DLR Group, Inc.
Structural Engineer	DLR Group, Inc.
Civil Engineer	DLR Group, Inc.
Mech./ Elect. Engineer	DLR Group, Inc.
Executive Const. Manager	Ben Baker

Project Schedule

Programming Complete	Design and DSA Approval	Construction Completion (Est.)	FFE & Move-In (Est.)
January 2026	Design: July 2026 DSA: December 2026	March 2028	April 2028

Current Status/Phase: Schematic Design / Design Development Phase

Project Insights

Programming & Schematic Design was presented by DLRG this month to City College and athletics department coaches. Consensus and approval received to move forward with design!

Upcoming Milestones

- July 2026: Design Completion & DSA Submittal
- March 2027: Construction

Conceptual Program Plan:

Project Features

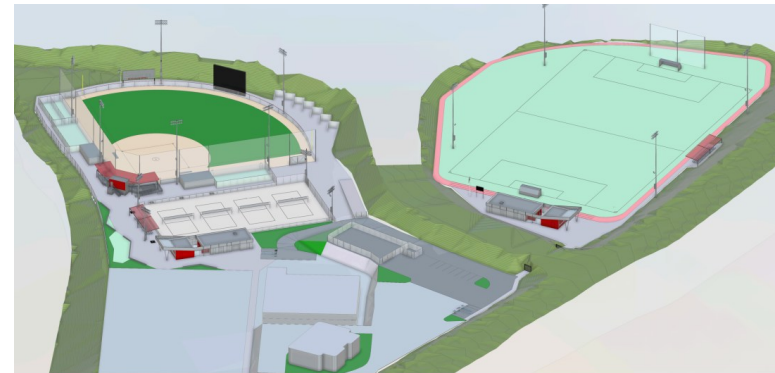

The San Diego City College Outdoor Athletics Expansion and Upgrades Project involves the and upgrades and expansion of the existing outdoor athletic fields in the northern part of the San Diego City College campus. The project improvements include:

- Four (4) new sand volleyball courts with seating for spectators
- New restrooms and storage buildings
- New re-oriented softball fields, dugouts, backstop, fencing and batting cages
- Enlarging and rebuilding the existing soccer field with new artificial turf, ensuring field meets minimum NCAA dimensions
- New sidelines, support buildings, retaining structures and warm-up track
- New accessible path of travel and new accessible parking
- New infrastructure and utility improvements

Project Map

1313 Park Blvd, San Diego, CA 92101

Design Concept - The Jewel

The Knight's Jewel
The Jewel concept is inspired by a knight's treasured signet ring, layered with stories, meaning, and texture.

Crest, Culture & Place
The Jewel features a custom crest pattern rooted in knight culture, with subtle nods to the athletic program's history woven into the graphics to create a sense of pride, identity, and place.

Concept Form - Armored Frame
A bold red jewel is wrapped by a surrounding band with a tough, armored exterior, creating contrast between strength and refinement while reinforcing protection and legacy.
