**Context Considerations**

**Saville Theatre – Updated Concept Elevations**

**Saville Theatre – Updated Concept Elevations**

**Project Schedule**

Programming Complete	Design and DSA Approval	Construction Completion (Est.)	FFE & Move-In (Est.)
January 2026	Design: November 2027 DSA: September 2027	December 2029	April 2030

**Current Status/Phase:** Programming Phase

**Project Insights**

The DBE team, College stakeholder groups, and District leadership have been actively engaged in multiple workshops, meetings and Design Safaris to develop the project program. Programming phase final documents will be presented to District leadership for approval this month.

**Upcoming Milestones**

- 2/18/26: Design presentation to ASG

**Programming conceptual plans:**

**Project News & Information**

Additional resources, articles, and links related to this project will appear here when available. For comprehensive information about Measure HH and all ongoing projects, please explore [the Measure HH website](#).

**Project Features**

The San Diego City College Saville Theatre Replacement project includes the abatement and demolition and removal of the existing Saville Theatre, as well as the removal and replacement of associated site utilities and appurtenances in alignment with the campus’s Master Plan. New construction of approximately 20,000 assignable square feet (ASF) includes:

- Street-level lobby with Box Office, restrooms and manager’s office
- Coordination with Building C façade
- Main theatre with 250-350 seats
- Stage, orchestra pit, control room and support spaces
- Scene shop, costume shop
- Rehearsal rooms, Recording/Editing and Dance Studios
- Future connection to Outdoor Amphitheatre
- Sustainable landscaping and irrigation
- New walkways and accessible path of travel to compliant parking areas
- Exterior and interior signage
