ASSISTANCE IN APPLYING FOR STATE-FUNDED CHILDCARE PAYMENT AID

You can apply to this program through the San Diego Centralized Eligibility List (CEL) online by [clicking here](#).

How it works

- Applications will be served in priority order.
- Families must meet needs, family size, and income eligibility. (Refer to the table below for income eligibility.)
- Eligible families will receive a call from a subsidized childcare agency for enrollment screening and to schedule an enrollment appointment.
- Proof of family size, income, and need for childcare services will be required to complete the enrollment appointment.
