

**SIDELETTER BETWEEN THE
SAN DIEGO COMMUNITY COLLEGE DISTRICT
AND
MANAGEMENT ASSOCIATION**

The District shall provide Management Association Information Technology Services (ITS) employees responsible for overseeing re-enabling access to the District's network, as a result of the May 2026 cyber security event, a one-time non-precedent setting allocation of 40 hours of paid administrative leave. This usage of this allocation is required prior to July 1, 2027.

Jared Burns, Vice Chancellor
People, Culture, and Technology Services
