How Many Last Year?

Exploring Enrollment Management Trends Beyond a Term

Workshop – December 6th, 2024

Flex: 26039/36377

Workshop Objectives

Designed for current users and faculty of the District Enrollment Management Dashboards.

Learning Outcome 1) Increase use of enrollment management purposes beyond a single term.

Learning Outcome 2) Explore enrollment management values outside of the most recent terms.

Noncredit Enrollment Definitions

Enrollment Action: ___ The duplicated headcount of enrollments. It does not exclude any type of enrollment.

Valid Enrollment: ___ The number of seats filled, or duplicated headcount. Drops with zero attendance hours are excluded.

Active Enrollment: ___ The number of students with a current enrollment status of enrolled. Drops and never attends are excluded.

Headcount: ___ The overall number of unduplicated students from the number of ___ enrollments.
