Agenda Item 4: Committee Sharing Space- All

Discussion	In support of the committee's second goal, time was reserved for members to share successes, challenges, and areas where support or ideas are needed. - Districtwide DSPS and Accessibility Planning updates were shared around accessibility initiatives. - CE shared Diversity, Equity, Inclusion, Anti-Racism, and Accessibility (DEIAA) planning efforts and that the college will be updating its DEIAA Plan in the fall to ensure accessibility is fully integrated across key areas. - Mesa College acknowledged that intentional implementation has been a challenge, emphasizing that the most important part of planning is carrying the work forward. - IER Director has been connecting with other institutions and noted that many are expressing similar concerns around implementation. - Mentimeter Activity: https://www.menti.com/alxfwx8ezd5 ▪ Committee members responded to several prompts. 1. What key points of our SP implementation or goals do we want to communicate/center? • Bring students input into our plan. • Communicating that planning is the beginning, not the end. • Celebrate successes • How work connects to the plan • Making space for reflection • Discussed examples of this happening at the college. • Team is not accustomed to planning and revisiting them. • Planning results in something • Backward designs
-------------------	---

	2. What key events should we consider creating or participating into engage and mobilize our community? • Districtwide workshops focused on planning • Convocation activities • Lessons Learned sessions • Book clubs • Chancellor's Forums • Ad dedicated planning Day 3. What specific community groups within the buckets on our roadmap (e.g., students, SD community) should we engage with and how? • College Planning teams • Discipline specific • Bargaining Units • Advisory Groups 4. What small thing can we do to make a big impact? • This is a reflective question for future discussion.
