

**Grant Activity for the District
Fiscal Year 2008-2009**

City	Mesa	Miramar	Continuing Education	District Office	Total
3,107,716	1,469,868	1,200,189	4,473,644	6,103,918	16,355,335

Please note that there is some variation in the methodology used to calculate these numbers. Some multi-year grants were pro-rated, while for others we reflected the full amount in this fiscal year. In subsequent years, a more accurate measure will be used across all campuses to ensure a more accurate accounting of grant dollars.

Also, ARRA dollars from the Workforce Partnership that have not yet been received by the colleges and Continuing Education are included in these figures since the colleges are guaranteed to receive these funds (this is reflected as \$400,000 per college and CE).
