CCAP & ACP Dashboard - brief update on feedback received and next steps (S. Bass) – 5 min

Academic Standing

SDCCD Follow-up Items for discussion

1. Request to fix issue that is charging HS students for the CCAP/ACP course if they drop or withdraw – *IT bug*
2. Request to explore possibilities of auto removing the \$2 student rep fee – *possible opportunity to streamline; tie to course attribute; will require changes to the supplemental application; implement for fall 2022*
3. Request to explore strategies for preventing CCAP students from self-dropping – *possible proposal to change this (make it so they cannot self-drop) for fall 2022*
