San Diego Miramar College

One (1) modified program submitted and endorsed by the Deans Council. Based on submitted labor market information, the program was endorsed by Centers of Excellence (COE). COE comments are noted below.

- **Medical Laboratory Technician**; Modification; CoA and AA
 - COE Comments regarding Labor Market Information: *Miramar submitted the appropriate LMI from the COE. The COE recommends proceeding with a new program or program modification because 1) a supply gap exists; 2) entry-level earnings are above the living wage; and 3) a high number of annual job openings exist.*
