

## Regional Consortium Program Recommendations March 2023 Update

### **San Diego City College**

No programs submitted for regional recommendation.

City College provided additional insight into their proposed new Social Work CoA program which was not endorsed in the February virtual vote. Context provided included their associate degree of Social Work and the tie to the regional grant and regional efforts develop this pathway and workforce pipeline. Four colleges in our region are part of this grant. City is the first to submit programming tied to this grant.

Recommendations included the submission of employer letters. Local and regional employer letters are encouraged. One or two letters have been collected so far for City's local area. Regional letters are in process.

### **San Diego Mesa College**

No programs submitted for regional recommendation.

### **San Diego Miramar College**

No programs submitted for regional recommendation.
