Temporary custody of juveniles is addressed in the Temporary Custody of Juveniles Policy. Juveniles will not be permitted where adults in custody are being held.

Custodial searches are addressed in the Custodial Searches Policy.

Additional guidance for transferring persons in custody to another facility or court is provided in the Transporting Persons in Custody Policy.

- (e) Individuals who are obviously in crisis, as defined in the Crisis Intervention Incidents Policy.

These individuals should not be in temporary custody at the Department unless they have been evaluated by a qualified medical or mental health professional, as appropriate for the circumstances.

900.3.2 SUPERVISION IN TEMPORARY CUSTODY

An authorized department member capable of supervising shall be present at all times when an individual is held in temporary custody. The member responsible for supervising should not have other duties that could unreasonably conflict with the member's supervision. Any individual in custody must be able to summon the supervising member if needed. If the person in custody has a hearing or speech impairment, accommodations shall be made to provide this ability.

Temporary Custody of Adults

At least one female department member should be present when a female adult is in temporary custody. In the event that none is readily available, the female in custody should be transported to another facility or released pursuant to another lawful process (15 CCR 1027).

Absent exigent circumstances, such as a medical emergency or a violent subject, members should not enter the cell of a person of the opposite sex unless a member of the same sex as the person in custody is present (Penal Code § 4021).

No individual in custody shall be permitted to supervise, control, or exert any authority over other individuals in custody.

900.4 PERSONAL PROPERTY

The personal property of an individual in temporary custody should be removed, inventoried, and processed as provided in the Custodial Searches Policy, unless the individual requests a different disposition. For example, an individual may request property (i.e., cash, car or house keys, medications) be released to another person. A request for the release of property to another person must be made in writing. Release of the property requires the recipient's signature on the appropriate form.

Upon release of an individual from temporary custody, the individual's items of personal property shall be compared with the inventory, and the individual shall sign a receipt for the property's return. If the individual is transferred to another facility or court, the member transporting the individual is required to obtain the receiving person's signature as notice of receipt. The Department shall maintain a copy of the property receipt.

The Patrol Sergeant shall be notified whenever an individual alleges that there is a shortage or discrepancy regarding the individual's property. The Patrol Sergeant shall attempt to prove or disprove the claim.
