City College/ECC Fact Book 2017

OVERVIEW

This Fact Book is a publication of the SDCCD Office of Institutional Research and Planning for the San Diego City College. It is designed to serve the information needs of the college community with a primary focus on student enrollment, demographics, and outcomes.

The Fact Book is a rich source of collegewide trend information that may be used for planning and decision making. The book contains the following five sections:

- 1) Headcount and Student Characteristics. Provides information on student demographic characteristics (e.g., age, ethnicity, and educational objective) over five years.
- 2) Persistence Rates. Provides information about first-time to college students who complete a fall term and enroll in the subsequent spring and fall terms. The information is also reported by demographic characteristics of interest.
- 3) Student Completion. Provides information on students' successful course completion rates, retention rates, GPA, awards conferred, and transfer volume. All of the information is provided in summary form, as well as by demographic characteristics of interest.
- 4) Productivity and Efficiency. Provides information on annual FTES, enrollment and fill rates, and Load (WSCH/FTEF).
- 5) Human Resources. Provides information on the number of employees by employment type, ethnicity, and gender.

Each section contains the following benchmarks: 1) The percentage change or percent difference over the five year period being reported, 2) The collegewide average, and 3) The "All Colleges" in the district average (excludes Continuing Education).

City College/ECC Fact Book 2017

Mission

San Diego City College has as its highest priority student learning and achievement. The college provides lower division and general education courses that lead to certificates, associate degrees or transfer to a four-year college or university; career technical education programs that meet specific industry needs, upgrade the employment skills of students and fulfill licensing requirements of the state of California as well as contribute to the economic development of our region; basic skills instruction to assist all students in meeting their educational goals; and essential student support services for all students.

Values

San Diego City College is a multicultural institution committed to providing open access to all who can benefit from instruction and to meeting the diverse and ever-changing educational, cultural, and economic needs of the urban core and surrounding communities of San Diego. We are committed to the tradition of academic freedom and responsibility, to employee empowerment, and to maintaining a climate that promotes learning, understanding and respect for students, faculty, staff, community, and the environment. The following are core tenets of our value system:

- The development of informed, active individuals who will be engaged in the global community, lifelong learners, social justice advocates, and literate in information technology;
- Institutional community involvement, community development and community service;
- Equity, inclusiveness and diversity in all of its manifestations;
- High quality instructional programs emphasizing creative and critical thinking;
- Essential student support services, including co-curricular and cultural activities;
- Environmental sustainability and a campus culture of conservation; and
- A continuous campus-wide cycle of assessment and program review with integrated planning and resource allocation.

City College/ECC Fact Book 2017

Institutional Priorities

Student Success—Support improved student learning, achievement of student learning outcomes, course completion, certificate and degree completion, transfer rates, and workforce competencies.

Innovative Approaches—Provide state of-the-art general education, transfer, and career technical programs by utilizing current technologies, innovative teaching and learning approaches, and delivery systems, and academic and student support services which include essential student support services, including co-curricular and cultural activities.

Equity, Inclusiveness, and Diversity—Strengthen and support an inclusive and diverse campus culture which enhances student, faculty, and staff success and closes equity gaps. City College promotes lifelong learning, social justice advocacy, and information technology literacy.

Collaborative & Outreach Ventures—Develop collaborative and outreach ventures that enhance student learning within the college, district and community, public and private agencies, businesses, and industry—locally, nationally, and globally.

Environmental Stewardship—Strengthen a measurable environmental stewardship effort that implements sustainable practices and educates the campus community.

Institutional Accountability—Demonstrate accountability through the integrated process of assessment, program review, planning, resource allocation, accreditation, and on-going evaluation.

Strategic Planning—Links campus planning to district planning efforts.

Section I **Headcount and Student Characteristics**

City College/ECC Fact Book 2017

This section of the Fact Book contains student headcount by various student characteristics. The headcount figures are individual counts of students, or unduplicated headcount, based on official census counts at the end of the semester. Drops, never attends, and cancelled classes are excluded. The headcount information is reported over a period of five years to analyze trends and establish benchmarks. Headcount information is reported by the following segments:

- 1) Overall
- 2) Gender
- 3) Ethnicity
- 4) Age
- 5) Enrollment Status
- 6) Educational Objective
- 7) Primary Language
- 8) Prior Education Level
- 9) Service Area of Residence
- 10) First Generation
- 11) Residency Status
- 12) DSPS
- 13) EOPS
- 14) Day, Evening, and Online Status
- 15) Military Status
- 16) Units Attempted by Units Earned

Section II Persistence Rates

City College/ECC Fact Book 2017

This section of the Fact Book contains information on the term and annual persistence rates for first-time to college students. For purposes of this report, the term persistence rate is the percentage of first-time to college students who enrolled in a fall term as of official census who received a grade notation of A, B, C, D, F, P, NP, I, or RD and who enrolled in at least one course in the subsequent spring term and received a grade notation of A, B, C, D, F, P, NP, I, or RD (SDSU and UCSD-only students and sections are excluded. Intersession, tutoring, in-service, and cancelled classes are excluded). Annual persistence follows the same operational definition; however, student enrollments are tracked from fall to spring to fall.

The information in this section includes five years of data and is reported as follows:

- 1) Overall
- 2) Gender
- 3) Ethnicity
- 4) Age

City College/ECC Fact Book 2017

Overall Persistence: The average term persistence rate of first-time students at City College/ECC was 69% among the Fall 2011 to Fall 2016 cohorts. The average annual persistence rate among the Fall 2011 to Fall 2015 cohorts was 46%. Overall, term persistence rates remained stable at 68% from Fall 2011 to Fall 2016. Annual persistence rates increased three percentage points, from 45% in Fall 2011 to 48% in Fall 2015. The average term and annual persistence rates of first-time City College/ECC students were lower compared to the average term and annual persistence rates of first-time students enrolled in all colleges in the District (79% & 59%, respectively).

Annual Persistence by Gender: On average, annual persistence rates of female students (49%) were higher than their male student counterparts (44%) between the Fall 2011 and Fall 2015 cohorts. Persistence rates decreased one percentage point for female students and increased five percentage points for male students between the Fall 2011 and Fall 2015 cohorts.

Annual Persistence by Ethnicity: The ethnic groups with the highest annual persistence rates, on average, were Latino students (51%), Filipino students (50%), and Asian/Pacific Islander students (46%). White students and students categorized as "Other" ethnicity showed the greatest increase over the five year period increasing seven percentage points and five percentage points, respectively.

Section III Student Completion

City College/ECC Fact Book 2017

This section of the Fact Book contains information on various student completion outcomes which may be considered indirect assessments of student learning. The outcomes included in this section are: 1) Annual Successful Course Completion Rates, 2) Annual Retention Rates, 3) Annual GPA, 4) Annual Awards Conferred, and 5) Annual Transfer Volume. All of the information in this section includes five years of data by gender, ethnicity, and age. The following describes in detail each of the outcomes listed.

1) Successful Course Completion Rates. The first outcome reported in this section is successful course completion, or student success rate. For purposes of this report, the success rate is the percentage of students who complete a course with a grade of A, B, C, or P out of total official census enrollments. Tutoring, non-credit, and cancelled classes are excluded.

2) Retention Rates. The second outcome reported in this section is retention rate. For purposes of this report, the retention rate is the percentage of students who complete a course with a grade of A, B, C, D, F, P, NP, I or RD out of total official census enrollments. Tutoring and cancelled classes are excluded.

3) Annual GPA. The third outcome reported in this section is annual GPA. For purposes of this report, the annual GPA is the total grade point average of all students for a given academic year.

4) Annual Awards Conferred. The fourth outcome reported in this section is the annual awards conferred. For purposes of this report, the annual awards conferred are the total number of associate degrees and certificates awarded in a single academic year (summer, fall, and spring). *Note. Annual awards conferred that are reported in this Fact Book are considered preliminary data. Please see the upcoming Awards Conferred Supplement report for final annual awards conferred numbers.*

5) Annual Transfer Volume. The last outcome reported in this section is the number of students who transferred annually. For the purposes of this report, the annual transfer volume represents the total number of students who transferred to a 4-year institution and were enrolled at an SDCCD college at any time within six semesters prior to transferring (including stop outs). The student must also have completed 12 or more transferrable units from any one of the SDCCD credit colleges within six years prior to transferring to a 4-year institution. *Note. Transfer volume parameters were changed for this report beginning with the 2014 Fact Book. Final data are reported for 2011/12 – 2015/16. Additionally, due to entry requirements at the CSU/UCs that delay transferring, the number of semesters prior to transferring was increased from three to six. Thus, totals will be different when comparing historical terms to Fact Book editions prior to 2014. Please see the 2017 SDCCD Transfer Report: A Comprehensive Perspective for comparable transfer volume numbers.*

Annual Transfer Volume by Age: The age groups with the highest transfer volume, on average, were students between ages 18 and 24 (39%), students between ages 25 and 29 (31%), and students between ages 30 and 39 (22%). All age groups showed a decrease in transfer volume, with the exception of students between ages 18 and 24 which showed an increase (5%) between 2011/12 and 2015/16.

Annual Transfer Volume by CSU/UC/Private (In-State)/Out-of-State: On average, almost one third of the City College transfer volume was students who transferred into the California State University system (CSU; 43%), followed by out-of-state institutions (26%), in-state private institutions (21%), and then the University of California system (UC; 10%). Between 2011/12 and 2015/16, City College transfer volume for all institutions decreased, with the exception of transfers to the CSU system.

Annual Transfer Volume by CSU/UC: Of the total City College transfer volume between 2011/12 and 2015/16, 53% transferred into either the California State University (CSU) or University of California (UC) systems, on average (43% & 10%, respectively; see Table 3.21). Of the total number of students who transferred to CSU or UC systems, the majority of students went to CSU (81%) and almost one fifth went to UC (19%), on average. There was an increased trend in the number of students who transferred from City College to the CSU system (29%) and a decrease in students who transferred to the UC system (13%) between 2011/12 and 2015/16.

Section IV

Productivity and Efficiency

City College/ECC Fact Book 2017

This section of the Fact Book contains information on productivity and efficiency measures. The following describes in detail each of the measures:

- 1) FTES. The first measure reported in this section is a measure of productivity. FTES is the total number of full-time equivalent students enrolled. Includes non-residents. Excludes apprenticeship classes, students who enroll after census, apprenticeship students enrolled in a non-apprenticeship class, ineligible course repetitions, non-state supported classes, and cancelled classes. F-Factor is included when reported annually.
- 2) Enrollments. The second measure in this section of the report is also a measure of productivity. Enrollments are the number of seats enrolled, or duplicated headcount, based on official census. Drops, never attends, cancelled, and tutoring classes are excluded.
- 3) Fill Rates. The third measure reported in this section is a measure of efficiency. Fill rates are the enrollment divided by the course enrollment capacity as set in the curriculum outline. Apprenticeship, cancelled, tutoring classes, and classes with a capacity of 0 or 1 are excluded. Positive attendance credit sections PHYE 153W-153Y and EXSC 124A-124D series are excluded from City College fill rates.
- 4) Load. The fourth measure reported in this section is a measure of efficiency. Load is the ratio of Weekly Student Contact Hours (WSCH) to Full-time Equivalent Faculty (FTEF). Tutoring, positive attendance, and cancelled sections are excluded.

City College/ECC Fact Book 2017

Annual Resident FTES: City College/ECC resident credit FTES increased between 2012/13 and 2015/16 (1,059 additional FTES), and then decreased between 2015/16 and 2016/17 (240 fewer FTES), yielding a 9% net increase over the five years. Resident noncredit FTES increased between 2012/13 and 2014/15, and decreased from 2015/16 to 2016/17, which yielded a 9% increase over the five years.

Fill Rates: Between 2012/13 and 2016/17, fill rates decreased for fall (91% to 81%, respectively), and spring (87% to 76%, respectively) terms. On average, fill rates for summer on campus (75%) were slightly lower than the online (77%) mode of instruction, while fill rates were slightly higher for the on campus mode of instruction in the fall and spring terms (84% & 81%, respectively) when compared to the online mode of instruction (82% & 79%, respectively). On average, City College/ECC summer fill rates were comparable to those for all colleges in the District (76% & 75%, respectively), and fall and spring fill rates at City College/ECC were lower (84% & 81%, respectively) than those for all colleges in the District (87% & 83%, respectively).

City College/ECC Fact Book 2017

Load: The fall load values at City College/ECC decreased, from 577 in Fall 2012 to 501 in Fall 2016, and spring displayed a similar trend, declining from 552 in Spring 2013 to 476 in Spring 2017. In general, City College/ECC load values varied term to term when compared to the load values for all the colleges in the District. The statewide benchmark for Load is 525 for a 17.5 week semester. SDCCD has set an internal benchmark of 557, which is commensurate to its 16.5 week semester.

City College/ECC Fact Book 2017

This section of the Fact Book contains information on the number and classification of employees during the Fall 2016 semester. The information is reported as follows:

- 1) Employment Type
- 2) Ethnicity
- 3) Gender

City College/ECC Fact Book 2017

Fall 2016 Employee Breakdown: There were a total of 2,110 employees working at City College/ECC during Fall 2016. At City College/ECC, adjunct faculty constituted over half (53%) of the total employee population, followed by non-academic hourly employees (32%), contract faculty (8%), and classified staff (5%). Supervisory staff and management constituted the smallest proportions of City College/ECC employees (1% each).

The ethnic breakdown showed that White employees constituted 41% of the total employee population, followed by Latino employees (26%), and African American employees (11%). Among classified staff, Latino employees constituted 27% of the employee demographic breakdown. White employees comprised 28% of the classified staff positions, and made up 53% of the adjunct teaching faculty positions.
