STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

Title 5 of the California Code of Regulations authorizes student travel in connection with courses of instruction related to social, educational, cultural, athletic, and band activities.

The colleges encourage student participation in various co-curricular activities related to instructional programs, including athletics, speech and debate, dramatic and performing arts, journalism, and other academic program competition. Participation in these activities often includes tournaments and competitions, both in season and approved out of season play, and other events requiring student travel. The students at the colleges also participate in student leadership activities often involving student travel. All students who travel are required to sign a student release waiver and appropriate travel documents prior to departure. In addition, all students who travel are accompanied and supervised by a District employee.

2. Cost and Funding:

The cost of travel will be paid by the college budget. There will be no additional cost to the District.
