2023-2024 IMPORTANT FLEX OBLIGATION COMPLETION DEADLINES

Instructional Improvement (Flex) is required of all faculty teaching a primary term (16-week) class. This requirement is based upon activities that faculty complete in lieu of instruction for the days/weeks that classes would have been in session were the district not on a 16-week compressed calendar (see Title 5, section 55724).

Contract faculty with 1.00 FTE will have a Flex obligation of 10 hours per semester. Adjunct faculty or contract overload assignments will have a Flex obligation that is equal to the sum of the weekly classroom hours for all classes assigned.

1. Contract Faculty – Flex Days

For 2022-2023, the Flex obligation for contract faculty is **20** hours. There are five (5) designated Flex days on which Contract Faculty are required to be on campus.

Fall 2023: **August 16 – 18, 2023**

Spring 2024: **January 25 – 26, 2024**

2. Flex Obligation Deadlines

NOTE: Flex Activities must be conducted during Flex Days or completed outside the faculty member's "regular" workday.

- a. **Adjunct Faculty** must meet their Flex obligation and report the completion on the Faculty Flex website by the following deadline dates.

Fall 2023: **December 11, 2023**

Spring 2024: **May 20, 2024**

- b. **Contract Faculty** must meet their Flex obligation and report the completion on the Faculty Flex website by the following deadline date.

Spring 2024: **May 20, 2024**

Faculty who do not meet their Flex obligation will have their pay docked for each hour that is not completed. (See Article 7.1.4, AFT Contract).

All faculty members are encouraged to check their Flex status by going to the YOUR CONTRACT page on the Faculty Flex website: <https://faculty.sdccd.edu/psfacflex/facflexview.cfm?action=welcome>

The screenshot shows the login interface for the Faculty Flex system. It includes a navigation sidebar with links to various resources, a main heading, a note for users, and a login form with fields for User ID and Password, and buttons for Login and Exit.

3. Independent Project Deadlines

The deadline for the submission of independent projects for approval will be the Monday of week 12 of the semester.

Fall 2023: **November 6, 2023**

Spring 2024: **April 15, 2024**

After an Independent Project has been approved, the project must end and be marked as completed on the Faculty Flex website before the following deadlines, in order to receive Flex credit:

Fall 2023: **December 11, 2023**

Spring 2024: **May 20, 2024**

INSTRUCTIONAL IMPROVEMENT PROGRAM (FLEX)

The Instructional Improvement Program (Flex) is a requirement for colleges operating under a flexible academic calendar. Participation is required for all contract and adjunct faculty in lieu of instruction resulting from the reduction from an 18 week to a 16 week flexible calendar. Participating in the Instructional Improvement Program is mandatory. Faculty who do not participate in the program will have their pay deducted to reflect the hours not worked and may be subject to disciplinary action. It is the responsibility of the faculty to monitor the status of their Flex obligation throughout the semester.

The program is designed to offer faculty the most flexible range of possible work activities, which are called **Flex Activities**, with many scheduled during designated **Flex Days**. Faculty can fulfill the obligation at any time during the semester (adjunct) or the academic year (contract). Flex Activities can be made up of college designated activities and workshops, or approved Independent projects, as long as they qualify as Instructional Improvement Activities under Title 5 (see page 8).

One important requirement in districts operating under an approved Flexible Calendar is to meet various monitoring and reporting requirements. These requirements include: specifying particular activities that qualify as instructional improvement; maintaining records on the type and number of activities assigned; and monitoring the number of employees participating in each activity.

In an effort to facilitate participation in required Flex activities, the District has created a faculty Flex website on the Faculty Web Services website -

<https://faculty.sdccd.edu/psfacflex/facflexview.cfm?action=welcome>. The site includes a list of available college designated activities and workshops, developed and offered at each college, which faculty can sign up to attend. There is also an online form for faculty to submit a request to conduct an independent project for Flex credit. The Faculty Flex website includes guidelines and information about meeting the Instructional Improvement obligation with the Flex Program.

This Instructional Improvement (Flex) Handbook is an additional guide to walk you through completing the online forms and provides a review of the Flex Program to help faculty meet the Instructional Improvement obligation.

The Flex Coordinators welcome your input and recommendations.

If you have any questions about participating in the Flex Program or need assistance using the Faculty Flex website, please contact the Flex Coordinator at your college.

A vertical navigation menu on the left side contains the following items: WELCOME, GUIDELINES, WORKSHOP REGISTRATION (highlighted in red), YOUR CONTRACT, INDEPENDENT PROJECTS, FLEX HANDBOOK, and WORKSHOP REQUEST. The main content area is titled 'Welcome To The Staff Development Login!'. Below the title is a note: 'NOTE: Only faculty with active assignments will be able to sign up for workshops using this system. Staff who wish to participate in an instructional improvement activity should contact one of the flex coordinators listed on the Welcome page.' Below the note are three instructions: 'Enter your 10 digit User ID and your password.', 'Click on the Login button to login. If you do not have a password, you will be directed to establish one.', and 'Click on the Exit button to return to the Welcome page.' At the bottom of the main content area is a login form with fields for 'User ID: 0000000000' and 'Password: []', and buttons for 'Login' and 'Exit'.

B. Enrollment after the Workshop/Activity Date

1. Go to the **Faculty Flex** website:
<https://faculty.sdccd.edu/psfacflex/facflexview.cfm?action=welcome>

2. Flex Workshop/Activity Information A. Workshops/Activities

A series of workshops/activities are available for Flex credit. These workshops/activities are automatically approved for a pre-determined number of hours. If you choose to enroll in any or all of these workshops/activities, please do so by the date indicated as they become inactive after that point in time. As with any other Flex activity, your work on these activities will be performed outside of your regularly scheduled hours and at a location of your choice. Flex credit will be awarded when you certify completion in **Your Contract** on the Faculty Flex website. If you have any questions concerning this type of workshop/activity, please contact the Flex Office on campus.

B. Workshops/Activities for Committee Members

There are some workshops/activities designed for faculty who are members of a specific committee. Enrollment is limited to committee members only. If you chair a committee or special group and wish to obtain information about developing a similar Flex activity, please contact the Flex Office on campus. Committee work beginning July 1st up to the start of the semester is permissible for Flex credit for faculty (per Title 5). See page 9 for specific requirements.

C. Workshop/Activity Presenters

Workshop/activity presenters will continue to receive double the Flex credit for workshop/activity preparation and administrative responsibilities, i.e., Presenter's Credit. Therefore, presenters should enroll in their own workshops/activity.

Workshop/activity rosters will be sent to presenters via email. Presenter credit will be posted by the Flex Office upon return of the roster via email.

D. Workshops/Activities Involving Travel

Workshops/activities involving travel outside SDCCD sites will require faculty planning to attend to complete a travel request form. Please see the Business Office for assistance.

E. Requests for Disability Related Accommodations

To request an accommodation, please contact your school dean at least five (5) working days before the Flex workshop/activity for disability related accommodations.

F. Banking/Carryover

While faculty are encouraged to meet their obligation each semester, those who wish to "bank" or carryover time spent on Flex activities beyond the number required for the semester may do so under the following conditions:

1. Excess hours may be "banked" from one semester to another within the academic year. You may carry over Flex credit from fall 2023 to spring 2024 (but not from spring 2024 to fall 2024).

2. Any "banked" hours on record at the end of the fall semester will automatically be brought forward in the Flex system to the spring semester for all faculty.

G. Evaluation

An evaluation of the Flex activities designated by the college is required by Title 5. An online evaluation form will be sent to all faculty at the conclusion of fall and spring Flex periods.

3. Independent Projects

All independent projects must be submitted online and according to provision 7.1.4 of the AFT contract. To create your independent project, follow the procedure described below and refer to the sample in Appendix A of this handbook. You may also contact your campus Flex Coordinator for information.
