## SAN DIEGO COMMUNITY COLLEGE DISTRICT

Dr. Carlos O. Turner Cortez  
*Chancellor*

We welcome you to City, Mesa, and Miramar colleges, the three credit-granting institutions of the San Diego Community College District. All three colleges are among the top-quality colleges in California and the nation. We offer associate degrees, certificates, and a bachelor's degree in occupational programs that prepare students for transfer to four-year colleges and entry-level jobs.

During difficult economic times brought on by the evolving COVID-19 pandemic, a community college education can be an important step in positioning yourself for a successful future. Because of the excellence of our faculty, small class sizes, and the personal attention that is provided, our students achieve their goals of employment or high academic performance when they transfer.

Given the current educational landscape, we recognize that some students may need access to a laptop, wifi, or other equipment. You are encouraged to contact your college of record to see what resources might be available, including possible emergency assistance.

**Registering early for classes is essential in order to increase the likelihood of getting the classes you need. Don't wait until the end of the registration time period!**

In addition to the for-credit courses offered at the District's three colleges, the San Diego College of Continuing Education offers free adult education classes in a variety of program areas.

We applaud your desire to improve your skills and wish you every success in your academic life.

Dr. Ricky Shabazz  
*President, City College*

Dr. Pamela T. Luster  
*President, Mesa College*

Dr. P. Wesley Lundburg  
*President, Miramar College*

Dr. Kay Faulconer Boger  
*Interim President, College of Continuing Education*

### Title IX and Campus SaVE Act

San Diego City, Mesa, and Miramar Colleges and Continuing Education are committed to a safe and equitable learning environment for all students and employees. The District's Title IX & Campus SaVE Act website is available at <http://www.sdccd.edu/titleix/>. The website provides students with important resources, policies, and instructions on how to prevent and report incidents of sex- or gender-based discrimination or harassment to the Title IX Coordinator. *It's on us* to build a safe learning community for everyone.

### Drug and Alcohol Abuse Prevention Program

The Drug Free Schools and Campuses Regulations (34 CFR, Part 86) of the Drug-Free Schools and Communities Act (DFSCA) require Institutions of Higher Education (IHE) to provide written information regarding the institution's Alcohol and Other Drugs (AOD) Program. The purpose of this regulation is to inform and assist students concerning the prevention and unlawful possession, use, or distribution of illicit drugs and alcohol on school premises, or as part of any of its activities. For more information, see the Drug and Alcohol Abuse Prevention Program website at: <http://www.sdccd.edu/DAAPP>

### Disability Support Programs and Services (DSPS)

The San Diego Community College District provides academic accommodations and services for students with disabilities in compliance with State and Federal legislation including Section 504 and 508 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act Amendments Act (ADAAA). Student participation in the Disability Support Programs and Services (DSPS) program is voluntary. For information regarding campus DSPS locations, policies and procedures, and complaint and grievance information, please visit: <http://dsps.sdccd.edu>

### Consumer Information

The Higher Education Opportunity Act requires San Diego City, Mesa, and Miramar colleges, and Continuing Education to make health, safety, student financial assistance, graduation/ completion, and transfer-rate information available to all students. This information is published online at: <http://www.sdccd.edu/consumer>

## California College Promise Grant

The California College Promise Grant (CCPG) is a state funded aid program that waives the enrollment fee for income eligible California residents. Students may apply for the CCPG one of two ways:

- Submit a FAFSA (<https://fafsa.ed.gov>)

**OR**

- Submit a California Dream Act Application (<https://dream.csac.ca.gov>)

**STUDENTS MUST PARK IN STUDENT LOTS ONLY. NO STUDENT PARKING IN FACULTY/STAFF LOTS.**

## 5 STEPS TO REGISTRATION

Open Registration  
Begins Dec 6

1. **APPLY FOR ADMISSION** to City or Mesa or Miramar College at **CCCApply** (Only 1 app needed for all 3 colleges)  
  
**APPLY FOR FINANCIAL AID** ([fafsa.ed.gov](https://fafsa.ed.gov)) or the California Dream Act application at: [dream.csac.ca.gov](https://dream.csac.ca.gov)
2. **REQUEST TRANSCRIPTS** from prior Institutions.
3. **Complete ORIENTATION**, verify **ASSESSMENT (MILESTONES)**, and **meet with a COUNSELOR for an EDUCATION PLAN**
4. **Log into mySDCCD**, view classes and **place classes into your shopping cart**. Complete the 3 step enrollment process **on or after your assigned Registration Date & Time**. (If waitlisted, monitor your status and/or email your instructor and request a **PERMISSION NUMBER** at the start of class.)
5. **PAY YOUR FEES** and/or **CONFIRM your Aid has covered all fees: Students may be DROPPED from classes for non-payment of fees.** (\$46 per unit, \$20 student health fee, NON-RESIDENT students will also pay \$307 per unit, and BACCALAUREATE courses are charged an additional \$84 per upper division unit.)

1. **Admission** to the San Diego Community College District (City, Mesa and Miramar Colleges) is open to:
  - Persons who possess a high school diploma or California high school proficiency exam certification or a high school equivalency certificate.
  - Persons 18 years of age or older, or emancipated minors who do not possess a high school diploma or equivalent, may be admitted by the college under provisional admissions status.
  - High school students requesting dual enrollment may be admitted as "special part-time" students subject to special criteria: <https://www.sdccd.edu/future-students/high-school-students.aspx>.

Returning students who have missed more than one year of enrollment must file a new application at CCCApply.

**Financial Aid information:** <https://www.sdccd.edu/students/financial-aid-scholarship/index.asp>

2. **Official Transcripts** from ALL other institutions must be on file to develop an Educational Plan or to have your records evaluated. Students may use **unofficial** transcripts, or grade reports from prior institutions to clear prerequisites only. Students should submit a completed Proof of Pre/Corequisites form along with the transcript/grade report to the college Counseling Office at <https://www.sdccd.edu/students/forms-and-documents.aspx>
3. **Orientation** provides information about the programs and services available at the college as well as strategies for student success. Please verify your level of **Assessment (Milestones in mySDCCD)**: Reading, writing, ELAC, and mathematics assessments help students enroll in the right courses aligned with their educational pathway, as well as meet prerequisites for other courses. Students should **meet with a counselor** to complete an Education Plan and develop a strategy for success by taking the correct classes.
4. **mySDCCD** ([my.sdccd.edu](https://my.sdccd.edu)) is where all class registration conducted: adding, dropping, waitlists, Pass/NoPass grade option changes, withdrawing, paying fees, checking awards and Financial Aid, grades, Academic Planning. **Registration is a 3 step process in mySDCCD** (Placing classes in your cart is the first step.) The maximum study load is 6 academic units for Intercession and 20 academic units for Spring.

**Students applying after the application deadline will register during 'Open Enrollment'.**

**Waitlists:** When a spot opens up you will be automatically enrolled from the waitlist unless there is a 'Time Conflict' or an issue with Requisites not being met. You must fix these issues immediately to be able to enroll.

5. **Fees** should be paid immediately, monitor the amount owed in the **"My Finances"** section of mySDCCD. Fees can be covered through forms of Aid (such as Financial Aid, CCPC, Veterans Benefits, Promise etc.) or can be paid with Credit Card, or through a Payment Plan. All students must pay the mandatory \$20.00 Student Health Services fee, whether or not they choose to use the health services or have their own insurance.

For complete details about all these step, see the Students webpage at <https://www.sdccd.edu/students>

## Welcome and Happy New Year!

I hope you had a great winter break and are prepared for an exciting spring semester. It is time to get back to classes!

There is so much to look forward to as City College continues

to work hard to share our vision for student success. We are offering both in-person and online classes with more than 200 programs to choose from. With the support of our wonderful faculty and classified professionals, we are implementing strategies that make a difference for our students and our community. Student support and academic excellence is at the heart of everything we do at City College.

As you begin or continue your education at City College, be sure to connect with a counselor to develop your educational plan. It is important that you have an educational plan that provides you with the most expedient pathway to your academic goals. An important planning process for your future involves using the many in-person and online student support and academic services that are available to help you succeed.

Please take time to learn about and utilize our many student support services available at City College. These include services such as our First Year Services, the Tutorial Center, the English Center, the Math Center, Puente, Umoja, our Veterans Service Center, Disability Support Programs and Services (DSPS), and a host of other student-centered programs.

City College continues to look for ways to support student access and success, social justice, and environmental stewardship. The spring semester brings new faces, new classes, fascinating projects and research, sports, and for our potential graduates, the culminating event of commencement. We look forward to contributing to and sharing in your academic success. Please visit [www.sdcity.edu](http://www.sdcity.edu) to learn more.

Thank you for choosing City College and sticking with us as we increase our in-person services. I hope you have an enjoyable and successful semester.

**Ricky Shabazz, Ed.D.**

President, San Diego City College

Synchronous contact or Remote Hours: Students are required to attend synchronous class meetings, once weekly (from 5:20-6:30pm), for the entire semester. Synchronous meetings require students to log into Zoom and access a web-based free interactive tool called Nearpod from a computer or tablet. Asynchronous contact or Web: Students will be required to access Canvas to complete asynchronous assignments and quizzes. Weekly assignments and quizzes are due each Friday by midnight. Please note that the instructor reserves the right to proctor exams or specific quizzes using zoom or other appropriate technology (no additional cost). In such a case, you would be notified ahead of time. Students are expected to spend 12-15 hours a week which include synchronous Zoom meetings and additional time spent on learning about the course content, completing assignments, and other appropriate tasks in the course. Please email me at psaluja@sdccd.edu if you have any questions or need more information.

## Welcome to Spring Semester at Mesa College – we are here for you!

We want you to know that Mesa College is here for you. Mesa College is your community. We are here to support you as you pursue your education.

### Ways that we are here for you this Spring:

- The San Diego Community College District is forgiving student debt. Any students who were enrolled in Spring 2020 – Summer 2021 will have all their outstanding tuition and related enrollment fees forgiven. Holds for non-payment will be removed so you can enroll for the January intersession and for Spring 2022.
- Mesa is offering over 1,900 classes on-campus, hybrid or on-line this Spring, so that you can get the classes you need.
- The campus has re-opened for in-person support; our Library, Mesa Commons (cafeteria) and other beautiful campus spaces are ready for you.
- We have both in-person and online services available 5 days a week. Counseling, financial aid, tutoring, and student health are all available, as well as support for basic needs, such as free fresh food.

As you know, Mesa still has the feel of a major university – one that specializes in helping our students have a sense of belonging and success. As the Leading College of Equity and Excellence, Mesa has a reputation of being the go-to college if you want to transfer or earn a two-year degree. We offer innovative Career Education programs that prepare you for a well-paid career in two-years. You can get a bachelor's degree in Health Information Management, learn computer coding and gaming, start a business and so much more!

The value of the education you receive and supporting you are our top priorities. It is the reason behind Mesa's stellar reputation as the college of choice for so many. We hope to see you very soon. And don't forget to join our social media family – see the links at right.

## Welcome to Miramar College

On behalf of the faculty and staff at San Diego Miramar College, I am pleased to welcome you to the Interession/Spring 2022 term!

As we near the second anniversary of the start of the COVID-19 pandemic, only now do we feel

comfortable enough, as a college, to return to our pre-pandemic levels of service.

We want to ensure you that it will be safe for faculty, staff and students to return to campus come January. While we plan to return to normal on January 3, 2022, we also understand that there will always be a need to offer many of our courses online as well.

Miramar College continues to abide by the safety guidelines put forth by the County of San Diego, the State of California and the San Diego Community College District.

As of October 2021, San Diego Community College District (SDCCD) will require all new and returning students to present proof of COVID-19 vaccination in order to register for any in-person activity (including in-person exams) or class for the Interession/Spring 2022 semester. Students can file a medical or religious exemption, if granted, you will be required to undergo weekly COVID-19 testing to attend class or visit campus. You can upload your proof of vaccination/exemption request at this link: <https://www.sdccd.edu/students/covid19/>. Keep in mind, our system will not allow you to register for in-person classes if your status has not been uploaded.

Proof of vaccination will not be required for students enrolled exclusively in online courses.

Priority registration for Interession/Spring 2022 began November 5 with open enrollment beginning December 6. Interession classes begin January 3, 2022. Spring classes begin January 31, 2022. For new students, make sure you have submitted an application at <https://apply.sdccd.edu>. In order to better serve our students, we constantly monitor our class offerings based on student demand. When class sections fill up rapidly, we open extra sections that may not appear in the printed class schedule. Therefore, I remind you to log on to [myportal.sdccd.edu](https://myportal.sdccd.edu) to find the most up to date Interession/Spring 2022 schedule.

All the information you need to navigate a successful and safe Interession/Spring 2022 term can also be found on our website – [www.sdmiramar.edu](http://www.sdmiramar.edu).

I can't wait to see all of your smiling faces back on campus this January!

Sincerely,

*Wes Lundburg*

# Planning for a **SAFE RETURN TO CAMPUS**

The San Diego Community College District remains committed in providing a high-quality learning experience for every student while keeping the health and safety of our community in mind.

## **San Diego Community College District has implemented the following:**

All new and returning students are required to present proof of full COVID-19 vaccination (per CDC guidelines) if attending any **in-person class**. Students with an approved medical or religious exemption will be required to comply with weekly COVID-19 testing requirements.

In-person services reasonably expected to last 15 minutes or more will be conducted by appointment. All student appointments require verification of vaccination or a negative COVID-19 test within the prior seven (7) days.

All employees, students and campus visitors must continue to wear masks on campus regardless of vaccination status.

## Online Learning Pathways

Online classes are a popular choice for today's busy college students who want to take high-quality courses in a convenient and flexible format. As an online student, you may interact with your instructor and classmates in online discussions, live chats, class email, and collaborative learning activities. Experienced faculty from City, Mesa, and Miramar colleges will guide you every step of the way.

Here is what some students are saying about online classes at the San Diego Community College District:

**"The best part of online learning is that it fits my learning style."**

**"The group interaction and learning experiences I received are a benefit. The format of online learning provides a comfortable atmosphere that encourages you to learn more."**

**"I work full-time so it works around my schedule."**

For more advice from online students, go to:  
<http://bit.ly/1AeLmWf>

### Online Class Restrictions

In accordance with federal regulations, City, Mesa, and Miramar colleges may not permit students residing outside of California to enroll in online classes **without approval** of the state where the student resides. Go to <http://sdccd.edu/docs/SSDept/SSDocs/OnlineStatesNotPermitted.pdf> for an up-to-date list of restricted states and territories. Students residing in a non-approved state/territory are **not permitted** to enroll in online classes and will be dropped.

Please check [www.sdccd.edu/online](http://www.sdccd.edu/online) for the latest information about online classes and support services for online students. We hope to "see" you online!

# CLASS TYPES AND ONLINE ACCESS

For information about specific courses, visit <http://classschedule.sdccd.edu>

For questions about online courses, visit [www.sdccd.edu/online](http://www.sdccd.edu/online)

**Fully Online** – All class meetings are conducted online with no on-campus instruction or exams. Classes may have set meeting times required. Information on any required online meeting times will be posted under the course details.

**Partially Online (Hybrid)** – Classes with online and on campus instruction. The on-campus instruction has pre-set scheduled meetings on campus. The online portion of the instruction may or may not have pre-set scheduled meeting times.

**Off Campus** – Classes are scheduled to be offered at an off-site location (i.e., a non-SDCCD location).

**On Campus** – Classes are offered at a SDCCD campus location. These classes consist of face-to face instruction between instructors and students.

Our quality online courses are developed and taught by experienced faculty. Students are expected to log in to Canvas at <https://sdccd.instructure.com> by the **first day of the class** and follow the directions in the syllabus. Students will receive an email with login instructions several days prior to the start of the semester. Please make sure your email is up to date. Canvas support is available 24 hours a day, seven days a week by calling toll-free (844) 612-7421.

## Login Instructions

On the **first day of class**, go to <https://sdccd.instructure.com> and enter your login credentials:

Type your Username = **10-digit Student Identification number**

Type your Password = **mmddyyyy** (birthdate with no hyphens, slashes, or spaces)

For example: **0009010101** (CSID number used at registration)

**06031980** (password for birthdate June 3, 1980)

**Returning online students, use your current password.**

After logging in, look on your **Canvas Dashboard** and click on the name of the course card.

**Your instructor expects you to log in on the first day of class and follow the directions in the Syllabus.**

## Get Ready, Succeed, Explore, and Practice!

Students considering enrolling in an online course are advised to attend an optional online self-paced student orientation.

Go to:

[www.sdccd.edu/online](http://www.sdccd.edu/online)

Access to your course will be available by the first day of class.

For more information on **Online Orientations** scan with your phone or tablet QR Code reader.

# FREE CLASSES SPRING 2022

Your Future Starts Here

## Free Career Training

San Diego College of Continuing Education serves more than **80,000 students** each year **at seven campuses** around San Diego. Students attend noncredit classes for many reasons:

- ▶ Prepare for college
- ▶ Complete free career training
- ▶ Sharpen skills

SAN DIEGO  
COLLEGE OF  
CONTINUING  
EDUCATION

## PREPARE FOR COLLEGE WITH BASIC SKILLS

### High School Diploma/Equivalency/Basic Skills

Average reading, writing and math skills will help you be successful in any college-level class. If you need help with any of these basic skills, Continuing Education has free classes that can help you.

See the schedule at [sdcce.edu](https://sdcce.edu)

### Career Education

#### Industry Recognized and State Approved

One of the most valuable benefits of completing a free career education program is that you will be trained for a specific job. You'll even receive a signed Certificate of Completion that verifies your education and your skills. Choose from more than 70 certificate programs and find something that matches your interests or skills. Become job-ready in as little as one year or less. Visit [sdcce.edu](https://sdcce.edu) to check out your options.

[sdcce.edu](https://sdcce.edu)

### English as a Second Language

If you would benefit from enrollment in an English language class, free classes are available. If you don't know what additional help you may need Student Services will help you coordinate an assessment.

### ESL Transition to College

A specialized course focuses on writing, taking notes from lectures, and college-level essay writing. You also learn about college programs and how to apply to college.

### Career Readiness

- ▶ Resumes and applications
- ▶ Interview techniques
- ▶ Communication skills
- ▶ Next steps to better employment

## Student Success Story

### Danielle Nadeau

From: SDCCE's ICOM Academy

To: Systems Manager for Laboratory Operations

"...This was an exercise that felt silly considering we hadn't learned anything yet. The constant reinforcement of a professional mindset gave me the confidence to actually call myself a technician."

Read more at:  
[sdcce.edu/organization/news/danielle-nadeau](https://sdcce.edu/organization/news/danielle-nadeau)

## Student Success Story

### Obed Morales Betanzo

From: SDCCE Child Development Student

To: SDSU Transfer Student

“SDCCE provided the foundational knowledge for what I am passionate about,” he said. “I learned child safety, how to prepare for emergencies, and adult and infant CPR.”

## Pathways to Success

Young adults ages 18-24 who did not finish school, and who are not currently working, can connect with the San Diego Gateway to College and Career for Immigrants, Refugees and English Language Learners for help deciding on a career, next steps, and to find the help they need to succeed. As a first class, students participate in a Career and College Readiness course that assists students with learning more about themselves and their working styles, all while building skills needed to do well in classes, college and life.

## COLLEGE CREDIT BY EXAM AGREEMENTS

1

Complete a San Diego Continuing Education course or Certificate Program

2

Apply to San Diego City, Mesa or Miramar College

3

Pass a credit by exam and earn credit for SDCCE courses

### CERTIFICATE EARNED

- Auto Technician
- Clothing Construction
- Culinary Arts
- Child Development
- Interactive Media
- Business Information Technology/Office Systems
- Front End Web Developer

### TRANSITION PROGRAM AT COMMUNITY COLLEGE

For more information and to understand options with credit by exam agreements, contact your campus counselor.

# ICOM Academy

## A new way of learning online

San Diego College of Continuing Education (SDCCE) has a new fully online educational program to provide adult learners with fast, free, flexible job training. ICOM Academy (Interactive Competency-based Online Microcredentialing Academy) has more than 15 career education options including Small Business Entrepreneurship and Information Technology.

### **Fast**

Programs are intensive and short-term. Most can be completed in 5-10 months.

### **Free**

Career training programs are industry recognized and state approved. Open Education Resources will be prioritized for classes, which means Zero Textbook Costs for students.

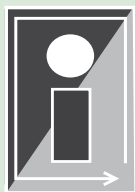

### **Fully Online**

Short-term certificate programs are fully online. Dynamic synchronous instruction makes these programs unique from other programs that provide little instructor interaction and peer-to-peer collaboration.

### **Flexible**

Learn on your own time and in your own space. Every online class includes self-paced activities as well as scheduled faculty-led instruction and peer-to-peer collaboration.

**Enroll Today!**

# Are you highly motivated and seeking an exceptional learning experience?

## Then the Honors Program is for you!

**NOTE: The Honors Program is available only in full term courses (15 weeks minimum) during fall and spring semesters (not summer).**

### Benefits of Honors

- Discover transfer agreements and special relationships with UCLA, UCI, UC Berkeley, SDSU, USD, Mills College, Pomona College, and more
- Get the Honors designation on your transcript
- Explore leadership opportunities
- Gain access to additional resources, such as university libraries
- Take courses taught from a global perspective
- Get career experience through internships or volunteer work
- Build a support network in a field you want to enter
- Investigate a subject you enjoy in greater depth
- Work closely with your professors
- Prepare for the rigorous demands of upper division coursework at a university

### Honors Courses and Contracts

There are a range of Honors courses offered in the Fall and Spring semesters. Honors Contracts are individual agreements between a student and the instructor that enable the student to do Honors-level work and receive Honors credit for a regular course, providing flexibility in scheduling.

#### *Interested in developing an Honors Contract?*

- The Contract specifies honors-level objectives and tasks to be completed by the student in addition to regular course objectives. Instructors will provide students with a new honors syllabus specifying those objectives/tasks.

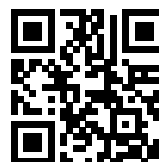

### Program Eligibility

The Honors Program is open to all students. To join, contact your campus honors coordinators.

### Honors Scholarships

If you enroll in an honors class or an Honors Contract, you may be eligible to apply for an Honors Scholarship.

Contact your campus Honors Coordinator for applications and information.
